Dear Friend,

I would like to take this opportunity to introduce you to the One Spirit Festival, the pre-eminent holistic fair in Hunterdon County. Now in its seventh year, the Festival is held at the Clinton Community Center annually in both the spring and the fall.

The venue has been expanded to two days, both Saturday and Sunday. The Festival includes not only holistic vendors and suppliers, but those with crafts of their own making orientated toward our clientele, various adult schools in the area, individual practitioners, healers, and readers. As our reputation for a high quality presentation and attention to detail grows, so does the attendance at the One Spirit Festival.

The next page contains all the information you need to consider joining us as a sponsor. We will do our best to bring your company's name to public attention via our press releases, advertising, websites, and event programs. In addition, if you wish to participate as a Sponsor, you will receive a number of perks and discounts.

We also have speaker slots available if you would like to speak or if you would like to send someone from your organization to present a lecture. Speaker opportunities are only available to One Spirit Festival participants or sponsors.

As a church, a community, and a committee, we are all committed to creating a win/win/win situation for all those involved, this year and in the years to come. We thank you for taking the time to consider supporting us in this endeavor and hope that you will join us on Saturday and Sunday, April 30th and May 1st, as one of the major sponsors of the One Spirit Festival.

Yours truly,

Christina
